Internal Quality Assurance Cell

Annual Report 2018-19

INTRODUCTION

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC) proposes that every institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The work of the Internal Quality Assurance Cell (IQAC) is the first step towards internalization and institutionalization of quality enhancement initiatives.

STRATEGIES

IQAC shall evolve mechanisms and procedures for ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;

- Relevant and quality academic/ research programmes;
- Equitable access to and affordability of academic programmes for various sections of society;
- Optimization and integration of modern methods of teaching and learning;
- The credibility of assessment and evaluation process;
- Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- Sharing of research findings and networking with other institutions in India and abroad.

FUNCTIONS

Some of the functions of the IQAC are:

- Development and application of quality benchmarks.
- Parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Dissemination of information on various quality parameters to all stakeholders;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database for the purpose of maintaining /enhancing the institutional quality;
- Periodical conduct of Academic and Administrative Audit and its follow-up.

BENEFITS

IQAC will facilitate / contribute to:

- Ensure clarity and focus in institutional functioning towards quality enhancement;
- Ensure internalization of the quality culture;

- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- Provide a sound basis for decision-making to improve institutional functioning;
- Build an organized methodology of documentation and internal communication.

VISION

To assure quality education by developing a system for conscious, persistent movement towards quality enhancement through innovation, internationalisation of quality culture and institutionalisation of best practices for a holistic development

MISSION

To channelize the academic environment by promoting multi dimensional approach to adapt innovative practices for pursuing academic excellence

OBJECTIVES

- To develop realistic and attainable quality benchmarks for every academic and administrative activity
- To enhance quality education on a continuous basis
- To contribute towards enhancement and integration among the activities and institutionalise good practices in the college
- To promote research culture among staff members and act as a support system for efficient administrative system
- To focus in institutional functioning towards quality enhancement for institutionalising quality culture.

The Internal Quality Assurance Cell (IQAC) of the college was established on February 9, 2013. Since then the IQAC team is actively working on examining the overall performance of the Institution and taking up effective measures to improve the quality of education.

The institution has a well defined quality policy and the same is assured through the inbuilt mechanism of teaching learning and evaluation. All the stakeholders are made aware of the institution's quality policy and any concerns regarding the quality not met are addressed by the Principal in consultation with the IQAC. Regular meetings with parents' and other stakeholders are held to assure the quality standards. The parents, students and teachers form an integral part of the IQAC in assessing the quality policy.
