Student Testimonials

My three years at NHCM have been excellent, with wonderful memories to cherish for a lifetime. The years spent here have been full of learning opportunities packed with fun and frolic along with the academic grind that one has to go through. I would like to thank the college, teaching, and non-teaching staff for transforming me into a better person and helping me to come out with flying colors.

YASHMITHA, BBA

By providing ample opportunities in the co-curricular areas, NHCM has not only helped me in acquiring and honing my skills but have also helped me to develop my overall personality. I can never forget the days I spent at the NHCM campus. It was a place that made me experience the real fun in learning.

ADITHIYA, B.com

New Horizon College is amazing and provides us with the best grounding for the career paths, we choose to take in the future. The lecturers provide immense support to the students. The direct interaction and hands-on approach of the courses take the learning beyond theory. Apart from academics, NHCM also provides the students with the platform to display their talents through various extracurricular or cocurricular activities. The campus is remarkable. I truly feel lucky and thankful, for having got an opportunity to be a part of this premier educational institution.

KARTHIK N IYER, BCA

NHCM has helped me to develop confidence in my own abilities and skills, and has also inspired me to strive for excellence in all areas of my life.

The relationship between students and faculty in NHCM is amiable. I felt empowered, motivated, and encouraged to compete with my own self every time I achieved something, be it in academics or extracurricular activities.

I shall forever be thankful and grateful to NHCM.
