Dear Dr. S. Naveen Prasath,

Congratulations! It is our pleasure to appoint you as Associate Professor in New Horizon College (Marathalli Campus), Bangalore. Kindly report for duty on 01st August 2018 at 8.40 am. New Horizon College is a unit of New Horizon Educational Institution, founded in 1970 to provide quality education.

Our mission is to build world class Professionals and Technologists.

Our vision is to inculcate professionalism in our students to excel in real life situations to efficiently meet the challenges of the industry and the corporate sector at the global level.

Our motto "In Pursuit of Excellence" refers not just to academic excellence but to human excellence as well.

As a member of a team of highly skilled and committed personnel we hope you will share our ideas and high expectations and work towards achieving our aims and objectives.

It is only with the help and enthusiasm of our staff members that we continue to achieve such success. We hope you will share this enthusiasm with us.

The following is intended as an outline of NHC employee benefit package as well as the expectations we will have over the course of your employment.

Compensation

You will be in the scale of Rs.19500/- Basic + Six Increments + Usual allowances + Rs.7827/- others per month

The above is subject to the statutory deductions at source and includes Income Tax, Professional Tax and other deductions applicable from time to time.

The above salary has been fixed based on the expectation that you will publish / present papers in National and International Journals on a regular basis (at least 2 papers in an academic year).

You would appreciate the fact that salaries of all teaching and non teaching staff are paid from students' fees pool. It is observed that good number of students will have backlogs even at the time of final semester of the course, which makes them ineligible for recruitment by corporates, public sector organizations & deny opportunity to get in to higher education entrance examinations. Hence, you will make all your efforts to motivate every student in your subject to pass at the first attempt itself & make difference to their careers.
