QASDC in association with IQAC

WORKSHOP

Date: 12.08.2020 TO 14.08.2020

Time: 2PM TO 5PM

Title of the Event: Importance of Multimodal Literacy's

Target Audience: Teaching faculties, NHCM

Venue: Online

Organized by: QASDC

Workshop Coordinator: Ms.Hima Bindu

About the Session/event :

QASDC had organized one day workshop for the faculty of **New Horizon College, Marthahalli** for the professional development. To ensure the teachers get an opportunity to practically understand the tools, they have been divided into three groups of 15 each.

To enable the faculty to conduct a very interactive and participative online sessions for their students, the following topics were chosen,

- 1) Importance of Multimodal Literacy's for the effective online teaching.
- 2) Managing participation of students' through blended learning platforms, with varied teaching-learning approaches".

The two facilitators Ms. Kavita & Ms. Namitha from Learning Ethos introduced two collaborative tools to the faculty, which will help them in engaging the students during their online classes.

The session started with hands on tasks on a collaborative tool called Mentimeter with the feature called, polling and online collaboration.

This tool helped them in creating a word cloud with the participation of all the participants by keeping their identity undisclosed .Since, it is an easy-to-use online tool that allows creating questions, getting answers, and easily showing the result on real time with visual representation, the facilitators posed various kinds of questions in order to make their presentation more engaging, interactive, and fun.

These activities helped the teachers to understand the usage of the tool in their day to day session planning with the specific expectations. It also made them understand how to kick-start a session with an energizer, how to create an online quiz pertaining to their topics and it also gave an idea for organizing recap sessions by summarizing the respective topics.

In order to make the participants brainstorm the usage of the tool in their daily classroom teaching, facilitators created zoom breakout rooms. Each room consisted of 3 to 4 participants who have discussed various possibilities of the usage of the tool. This discussion made the teachers to understand that this tool will help in preparing more professional looking presentations, a real time analysis of results for the quizzes can be showcased by displaying in various grids to optimize result analysis, and a trend analysis with the use of historical data for statistics topics can also be applied etc.

After a short bio break at 3:30 pm the new tool Mural was introduced. Mural is a visual collaboration workspace for modern teams which provides digital whiteboards where teams visually explore complex challenges. Facilitators created an opportunity by sharing a link for the teachers to use mural by giving them a task of displaying their emotions using various features present in the tool like, sticky notes , pictorial representation, gif usage, anecdotes, drawings, emojis etc.

With these tasks the facilitators made the teachers understand the advantages of usage of Mural, like how to improve the engagement of students in the class and knowledge retention with the collaboration of ideas, skills and technology.

With this practice teachers will not be restricted to only verbal presentation as it is a large canvas that will help them to showcase their viewpoints in any form. Thoroughly planned experiential sessions made the teachers get encouraged to use this tool.

Overall the faculty have understood how the usage of these collaboration tools can help to make the environment a conducive one for the teaching – learning process.

Workshop
On
AQAR Preparation
By
IQAC Team

Date: 14th and 17th August 2020

Time: From 03:00 PM to 04:00 PM

Venue: Room 104, Shaheed Hemu Kalani, Block, New Horizon College-
Marathalli

Title of the FDP : AQAR Preparation

Target Audience: Faculty members from NHCM

Resource Person: Dr. Ganesh Prasad, HOD and Dean, Mechanical
Engineering Department, NHCE

Organized by: IQAC

Faculty Coordinator: Arun Raghu Babu

About the Session:

A workshop on AQAR preparation was organised by the IQAC to assist the faculty members in effective preparation & filing the AQAR reports.

Day 1:

The Principal gave the welcome address and introduced the resource person of the session. The resource person was Dr. Ganesh Prasad, HOD and Dean, Mechanical Engineering Department, NHCE. He discussed the role played by the IQAC team of the college in filing the AQAR reports. He explained the components of Criteria 1,2,3 and 4 in detail.

Day 2:

Dr. Ganesh Prasad gave a recap of criteria 1 to 4 and further explained the components of Criteria 5.6 and 7 in detail.

The faculty members posed a lot of questions to the resource person, where the resource person answered each of them to the best of his knowledge. Dr. Naveen Prasath, Associate Professor in Management, delivered the vote of thanks.

The workshop was every informative and provided the faculty members enough inputs for the successful filing of AQAR reports.
