About NHEI

New Horizon Educational Institution, established in the year 1970, is dedicated to creating today's pioneers and tomorrow's leaders. NHEI has a glorious history of more than 50 years as one of the premium institutions in the country, providing quality holistic education ranging from kindergarten to higher education. The Institution has tie-ups with various MNCs and international universities. It also prides itself on numerous Centres of Excellence within the campus, with the aim of providing a comprehensive multidisciplinary platform to all students enabling them to reach the pinnacle of knowledge.

The Government of Karnataka has conferred the prestigious Karnataka Rajyotsava State award for the year 2012 to New Horizon Educational and Cultural Trust for outstanding contribution to the field of education and social service in the state of Karnataka.

Vision

Our vision is to establish centers of educational excellence that offer challenging learning environments and encourage high expectations for success through knowledge creation, the development of skills, and the promotion of values.

Mission

New Horizon Educational Institution seeks to provide education that will inspire students to achieve the highest standards of intellectual and personal development to become creative and caring builders of the future.

Goal

To adhere to the reputation of being able to channel our human resources and guide the transformation process of every individual's dream into a reality.

About NHC

Established in 1998, New Horizon College is certified by NAAC with an "A" grade and is permanently affiliated with Bengaluru North University. The picturesque and sprawling college campus offers a supportive environment for a student's intellectual and personal growth. Every effort is made to enlighten, educate, and inculcate in each student a sense of professionalism that will prepare them to meet the challenges of the competitive world. NHC has experienced enormous success due to the sustained efforts of its teachers and the continuous progress of its students. Proper exposure is provided to help students develop into competent, capable, and composed graduates. It prepares them, holistically, for intellectual, social, and emotional traverses. NHC endeavors to improve every student's persona by equipping them to develop a wide range of skills through appropriate opportunities.

Vision

To impart student centric education and empower them to fulfill their academic and professional passions in an environment that is diverse, vibrant & inclusive.

Mission

To groom holistic individuals capable of critical and lateral thinking, with the ability to preserve and transmit knowledge, wisdom and values that will instill self-fulfillment and competitiveness.

Quality Policy

To benchmark education services of the highest quality so that our students can confidently serve the industry and society, in India and abroad.

Values

To edify students to uphold integrity, civility and honesty, to relentlessly pursue excellence, to embrace diversity and inclusion, and to ignite creativity, inquiry and scholarship. Our sole aim is to teach, interact, nurture and equip them to be responsible citizens of tomorrow.

Chairman's Perspective

Today, India has earned a distinctive mark in the global scenario for providing professional education and is significantly contributing to the knowledge bank of the world. Contemporary lifestyle is being driven at an astonishing pace with developments in technology and management encompassing all sectors.

With these rapidly changing facets, it becomes imperative to blend strong value systems with a knowledge centric approach leading to a need for leaders who are mentally, emotionally, socially and intellectually capable and can channel the future towards glorious accomplishments. This reinforces the strong role of institutions in enriching student communities and thereby creating both, a better society and a better tomorrow for all stake holders.

New Horizon Educational Institutions deem it worthy not only to appreciate, but also to effectively implement these value systems. Our institutions from time to time have been adopting key innovative modes of empowerment with a multidimensional approach for leading the wave to generate leaders, beyond mere professionals who can bring about a constructive change at all levels. For a life formative education, it reaffirms the need to couple ethics with knowledge in providing a higher education platform. Our institutions stand tall with pride and satisfaction in all endeavors.

Warm welcome to this temple of wisdom and value filled atmosphere for carving successful professional chapters with satisfaction unlimited and un-matched knowledge.

We stand committed and continue to strive in pursuit of excellence.

Dr. Mohan Manghnani
Chairman, NHEI

Principal Message

Your power to choose the direction of your life allows you to reinvent yourself, change your future, and powerfully influence the rest. Leadership and learning are indispensable to each other. An educated person is one who has understood how to learn and evolve.

You are welcome to New Horizon College, Marathahalli (NHC-M), one of the prestigious colleges for Commerce & Management education permanently affiliated with Bengaluru North University. It provides you the space to ignite your imagination and inspire a love for learning. B. Com, BBA, & BCA courses are offered with the intent of bridging the gap between graduate expectations and employment reality.

With a blend of curricular, co-curricular, and value-added programs, every student is encouraged to explore and achieve their dreams. The journey begins with a teacher who believes in you, gently nudges and leads you to the next plateau; a teacher who gives you something to take home to think about, beyond the subject.

To support this transformational engagement, the NHC-M campus spreads a large canvas with the right tools – spacious classrooms, a healthy teacher-student ratio, high-tech computer labs, an expansive library, a world class auditorium, and frequent industry interactions.

Teaching is the greatest of the arts since the medium is the human mind and spirit.

Dr. R. Bodhisatvan
Principal

Courses Offered

Undergraduate courses

BBA - Bachelor of Business Administration

BCA - Bachelor of Computer Applications

All courses are offered in 3 streams - Executive, Professional and Executive + Dual Qualification. Students can opt for a regular 3 year Degree Course program or a 4 year Honors Program

Postgraduate course

M.Com - Master of Commerce

Points To Note

- Selection of a student to any undergraduate course is based on the student's merit. New Horizon College reserves the right to select its students. Admissions to any undergraduate course is provisional and subject to approval by Bengaluru North University. New Horizon college will not be responsible in any manner in case Bengaluru North University refuses to approve any student's admission for any reason. The rejected student will not be permitted to claim a refund of fees paid to the college completely or partially or claim any damages citing such rejections.
- It will entirely be the responsibility of the student/parent to ensure that the student is eligible to undergo the undergraduate course as prescribed by Bengaluru North University before he/she seeks admission to New Horizon College.
- A minimum of 75% attendance in each subject is required for a student to appear for the university examinations.
- Ragging of any form is not acceptable. Students found indulging in ragging or with past records of involvement in ragging or any other criminal activities will be expelled from the college.
- Students/parents must adhere to the rules and regulations of the college. In the event of any dispute, the decision of the college management shall be final and binding on all issues.

Teaching Methodology

Our wealth of experience and research demonstrates that a single methodology is not effective, which is why our methodology stands unique to each program. Some of the techniques used are:

- Role Plays
- Case Studies
- Outbound Learning
- In-company Projects
- Business Simulations
- Interactive Workshops and
- Self-management Techniques

Andrew Manoah B, B.COM

Education at New Horizon College ranks among the finest around. It provides world-class education to develop into well-rounded experts surrounded by like-minded peers. The teachers here are very knowledgeable and encourage us to excel. Thanks to New Horizon, my academic and interpersonal growth have taken a big leap forward.

Sanjana Shashi, B.COM

I am very glad to share that New Horizon College is an ideal balance of academic and extracurricular activities, both of which are essential in forming one's individuality. The entire department staff works tirelessly to help students shape their future. My three years at New Horizon have been an amazing learning opportunity with a lot of exposure to the outside world.

Bachelor Of Business Administration

Bachelor of Business Administration is a dynamic program that develops students' potential of being leaders, entrepreneurs, academicians as well as researchers in the field of business/business education. The college follows the Bengaluru North University curriculum, which is perfectly designed to enable an individual with conceptual, analytical as well as empirical approaches and strengthen their communication skills; thus building their potential to grow in myriad roles within the industry and in the world of business. The department organizes national and international industrial visits, invites senior managers from the Industry for guest lectures, to share their experiences, and organizes seminars, workshops, college fests, and technical games. Students are encouraged to participate in various lectures, seminars, and workshops outside the campus and cultural and literary events held in various colleges and universities. The college campus is well-equipped with the infrastructure that provides students the space they need to release their fathomless creativity, be it academics, cultural activities or sports.

Vision

To create well equipped individuals to meet the challenges of the dynamic competitive world through a plethora of time tested and proven pedagogical teaching and learning.

Objectives

1. To foster global competencies among students so that they may pursue careers in management and excel in different fields.
2. To inculcate a value system among students to enhance their skills vibrantly.
3. To ignite a quest for excellence.
4. To encourage self learning & self evaluation.

Career Scope

Bachelor of Business Administration makes a graduate adequate for various kinds of professions wherein they can explore and utilize their potential in most challenging ways. Besides having an assurance of getting entry level positions in many corporates and organizations and starting as members in HR/Finance departments, some of the charismatic job opportunities can be:

- Operations Manager
- Sales Manager
- Business Analyst
- HR Manager
- Cost Estimator
- Tax Analyst
- Risk and Assurance Analyst
- Investment Banking
- Financial Controller
- Chief Financial Officer

Mission

To mould the students for positioning themselves in organizations, businesses, thereby enabling them to perform successfully, ethically, and professionally in a complex business scenario.

Bachelor Of Computer Applications

BCA course is permanently affiliated with Bengaluru North University and is one of the competent departments of its kind in New Horizon College, Marathahalli Bangalore. It has qualified and dedicated faculty and approximately 200 students. It endeavors to develop the cadre of computer aspirants to understand the current technological hitches and to provide long-term solutions based on improved and smarter technologies. The department organizes national and international industrial visits, invites senior managers from the industry for guest lectures to share their experiences, and organizes seminars, workshops, college fests, and technical games.

Vision

To be recognized as one of the outstanding institutes in the field of computer science by imparting knowledge through research based education and thereby adding values and relevance to the community.

Objectives

1. Encourage students to become self-driven, problem solving individuals who can find and understand the knowledge needed to be successful in the profession.
2. Establish Industry & Institute Interaction to make students industry ready.
3. Impart updated technical education and knowledge.

Career Scope

Students who enroll in the Bachelor of Computer Applications gain knowledge and skills in communication, organization, and management in addition to computer and information technology. BCA offers a wide range of career options. Students will be qualified for entry-level employment or to continue their education with an MBA or MCA. Depending on the curriculum studied during the BCA program, a graduate has diverse work options

- Software developer
- Web designer
- System manager
- Computer programmer
- Web developer
- Software tester
- System Analyst
- Network Engineers
- Database Administrators
- Cyber Security Analyst

Mission

To develop the department as a centre of excellence in creation of knowledge using proven state-of-the-art technologies and nurture software professionals with the right technical skills to compete at national and global levels.

Tarun, BCA

New Horizon College epitomizes many values. I am proud to say, I am a New Horizonite BCA graduate because my Alma Mater not only gave me academic knowledge but also life lessons. My career profile and corporate readiness were fine-tuned by my experienced mentors and teachers. Our loveable lecturers, without them we could not have made it.

Ramyashree M C, BCA

The best thing about our college is the opportunities it provides to its students to gain exposure in a positive environment with helpful and supportive faculty. Plenty of prospects to participate in academic, cultural, and sports events. Freedom of speech and expression are highly encouraged.

Master of Commerce

New Horizon College, Marathahalli permanently affiliated with Bengaluru North University, Karnataka is one of the leading educational institutions in the state endeavouring to provide excellent education and over all grooming to aspiring leaders. Its mission is to create world class professionals by enlightening, educating, inculcating and imbibing a sense of professionalism in every student. Besides a thorough training and instruction on the curriculum based module imparted by the most efficient set of faculty members, meticulous effort is also made to hone the required skills in the students to create well groomed professionals competent enough to make their presence felt in the international stage.

This programme is to prepare and equip the students with necessary skillsets on conceptual, business and analytical abilities required for handling the Business and Managerial Operations. The course facilitates the graduates of B.Com, BBA or equivalent degree holder to develop in-depth knowledge in areas like accounting, finance, marketing, auditing, banking and management etc.

National Educational Tour

In order to provide a different practical exposure to the students, and understand the dynamics of management in the business process, students are taken on a national educational tour. Students get to witness the functioning of industries outside Karnataka. On return from the national tour, students are required to prepare project reports on the same.

Training and Placement

Overview

The Department of HRD aims to provide industry oriented training and placement opportunities to the students. These guidelines are framed to ensure equality and fairness of opportunity to all the students. All students who opt for campus placement, shall abide by the policies and guidelines given below.

The Institution reserves the right to modify any or all the policies/ guidelines and or stipulate additional norms for training and placement, anytime in the future.

In case of any dispute the decision of the Principal/ Executive Director will be treated as final.

Industry Oriented Training

- a. Industry Oriented Training is mandatory for all students irrespective of whether they are interested in placement or not.
- b. Aptitude & Soft Skills training will be conducted by the Department of HRD to enhance the competency & skills as required to take up the tests/ interviews during the recruitment process.
- c. Minimum 75% attendance is mandatory for all the trainings.
- d. Training attendance will be linked to internal scores of academics.

Placements

a) Eligibility

- All final year BCA/BBA/BCom students with 6.75 CGPA and possessing the required attendance in all the industry readiness programs with 75% attendance, are eligible to take part in placement process.
- Students should also satisfy the eligibility criteria of the company for which they are participating.
- Placement is optional. If any student is not interested in placement, he or she should submit the request for opting out of placement using the form available with Department of HRD, duly filled in and signed by both the student and the parent.

b) Registration process

- Students should enroll themselves with the Department of HRD with all related documents, viz; updated resume, photocopies of all certificates from class 10, Aadhar Card, PAN Card, and other relevant transcripts.
- Registration for all the recruitment drives will be done during the month of July or August, every year for the final-year students.
- Once the recruitment drive is published, students should register for the same. The list of registered students will be shared with the respective company. The company will share the list of shortlisted students who will be allowed to take part in the recruitment drive. Shortlisting of the students is solely at the discretion of the respective company as per their specific criteria.
- It is mandatory for all the registered and eligible students to attend the recruitment drives, failing which students will have to mention the reason for the same. If the reason is not accepted by the department, necessary action will be taken.

c) Attendance

- Post successful registration/ shortlisting, attendance in the respective recruitment drive is mandatory.
- Absence in any two of the campus drives, would disqualify the student from further placements.

d) Dream Offer

- Each student will be given one offer and a Dream Offer. Initially, students do not have the option to choose companies to get placed in. However, after getting placed in one company they will have the privilege of choosing a dream company.

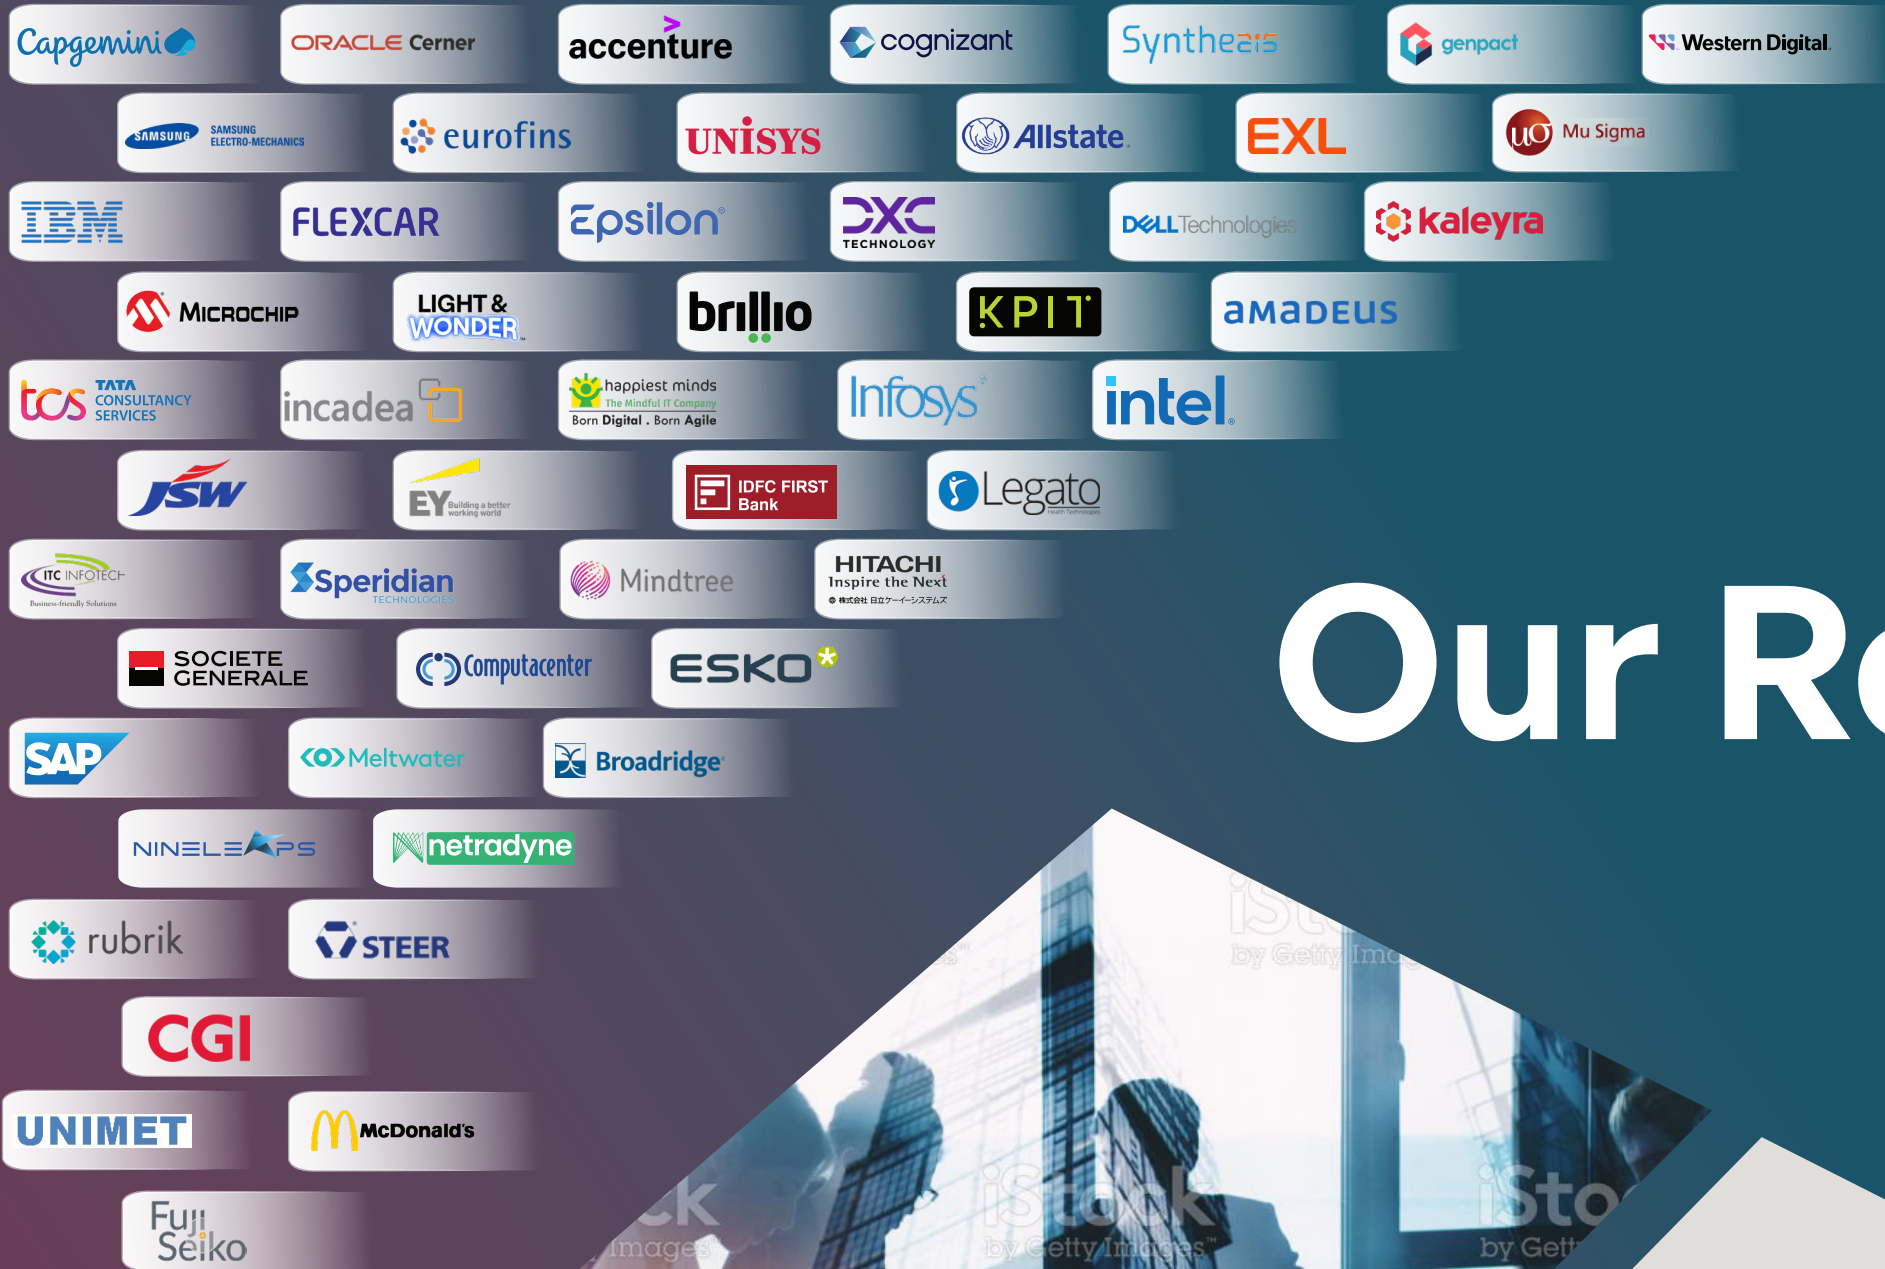

e) General rules and regulations to be followed

- Students are advised to browse through the company website before attending any recruitment drive. If offered, it is mandatory to accept the offer. If a student fails to accept any offer, it is considered as offer given and the student will not be allowed to take part in further placements.
- If any company provides internship prior to the employment offer, it is mandatory for the student to take up the internship after obtaining the permission of the Principal/HOD and complete the same satisfactorily.
- Students should be willing to relocate as required by the company and shall be flexible to work on rotational shifts as per the company's norms.
- Students are expected to be punctual for all recruitment drives. Late comers will not be allowed to participate in the drive.

- Students are not permitted to discuss regarding CTC, job role, location or distance directly with recruiters/ company officials during the interviews. Any questions that the students have should be cleared during the presentation by the company.
- If student receives any offer directly from the company/or his/her own efforts, he/she should inform and share a copy of the same with the Department of HRD.
- Students whose offer letters are not honored by the company within a span of four months, will be given another opportunity by the Department of HRD.
- If students do not receive the LOI or offer letter from the company within four months of their selection, no HRD fee will be charged and if already paid, the same shall be refunded.
- Students are expected to maintain absolute discipline/decorum during the entire recruitment process. The Department of HRD reserves the right to remove any student from placements on grounds of indiscipline/misconduct.
- All eligible students should follow the formal dress code i.e., White and Black, neat hairdo, black shoes, full socks, etc. for the entire process of the recruitment drives.
- During the recruitment process, mobile phones should be switched off.
- Speaking in English is mandatory on campus to acquire fluency over the language so that the standards set by the companies are achieved.
- Students have to pay the training fee/ HRD fee as applicable as per the existing rules.
- All students should ensure that the reputation of the institution is upheld at all times.

- No overly torn jeans
- No chappals

For Girls:

- No shorts
- No short skirts/dresses
- No overly torn jeans
- No strapless tops
- No burkhas
- No headgears/headscarves

The campus is spread over 12 acres of land with lush greenery housing a 700 seater auditorium built to international standards. The computer laboratories are equipped with the latest multimedia Pentium processor-based systems. The labs are networked using LAN with internet connectivity. The campus is Wi-Fi enabled. Conference rooms of corporate standards are one of the highlights of the New Horizon campus. Ultra-modern facilities to conduct board meetings/recruitment meetings are also available.

Canteen/Cafeteria: The College Cafeteria is spacious, clean and hygienic, It offers a variety of north indian, south indian and chinese cuisine. All food is offered at concessional prices in the canteen/cafeteria.

Sports: Our students play different sports & games at different levels. The college provides a host of indoor & outdoor sports facilities for the students. An indoor stadium with state of the art facilities houses courts for basketball, volleyball and badminton along side a well maintained play ground. The campus also features a well equipped indoor and outdoor gymnasium including indoor games like chess & table tennis.

Library & Information Center

The library has a seating capacity of 600+, a state-of-the-art digital library, an e-learning center, a video conference room, an online classroom with recording facility, student discussion rooms, faculty discussion rooms, a books & stationery shop, a reference section, circulation counter, OPAC search, journals and magazines, and newspaper sections. The library's collection includes various volumes of books, journals, databases, audiovisuals, CDs/DVDs, e-books, e-journals, reports, course materials, previous years' question papers, bound volumes, project reports, case studies, conference proceedings, training manuals, and so on.

The library serves as a resource for teaching, learning, and research. As the academic center's beating heart, it takes a proactive approach to facilitating access to all types of information resources and provide innovative, responsive, and effective services to meet the changing needs of the academic community. The primary goal of our library is to provide the necessary information in an updated and timely manner.

- Member of N-LIST - INFLIBNET

Hostels

Accommodation for over 1200 Students on Campus

Hostel accommodations for over 1200 students on campus have been built to provide students with a safe and welcoming environment. There are separate hostel facilities for boys and girls. The living areas are designed to promote harmony. We have gone to great lengths to keep the surroundings green and fresh. Such an environment fosters the development of productive thoughts and ideas. It serves as a student's "home away from home." We see the dormitories as a place for students to study, relax, and socialize.

- Five separate hostel buildings for girls and boys
- Wi-Fi in hostel blocks
- 24-hour power backup
- RO drinking water
- Hygienic kitchen & quality food
- Veg & non-veg menu
- Choice of north & south Indian food
- Medical insurance
- Hot water facility
- Well furnished rooms
- Laundry facility
- Single room facility (Boys hostel) for PG students
- 24-hour CCTV Surveillance

Intercollegiate Cultural Fest

Sargam

Sargam is a state-level intercollegiate cultural festival hosted by New Horizon Educational Institution every year. The fest brings together students from various educational institutions, providing an excellent platform for them to showcase their talent and win cash prizes. It encompasses a fine mix of students from various streams across the state under one roof.

SARGAM 2022, the state-level eagerly awaited cultural fest resumed after two long years with the theme 'The Rudra Factor'– 'the captivating energy and glorious power'. Organized on the 25th and 26th of November 2022 at the New Horizon College of Engineering campus, it saw a footfall of close to 15k students from 180 institutions, both PUC and Degree colleges.

The major attraction of Sargam 2022 was the Mega Event, the theme "TANDAV", which witnessed highly energetic and powerful dance performances from various colleges.

The events were divided into Mega event, 4 stars, 3 stars, 2 stars, and single-star events, and prize money varied accordingly. Filmy Dance, Contemporary, and Street dance, Stage Play, and Acapella, Mono Acting, Sneaker Doodle, Poetry Slam, Gaming [FIFA, COD, NFS], The Next Top Model, Rock Battle (Hindi/English/fusion), Sargam's Got Talent, & Turn Coat) were some of the highlights. The total prize money for all events in total amounted to Rs. 7,00,000/-.

Udaan

Udaan a mega entrepreneurship event is the vision of our Honorable Chairman of New Horizon Educational Institution Dr. Mohan Manghnani, to instill entrepreneurial interest in the students of New Horizon and make them independent and self-reliant. Udaan is one of the biggest launch pads of startups from our campus advocating creativity, innovation, and entrepreneurship. Udaan also signifies support for the Atmanirbhar Bharat Abhiyaan the self-reliant India campaign, which is the vision of a new India, envisaged by our honorable Prime Minister, Shri Narendra Modi, following the mantra, "Let's innovate for India, innovate from India". Udaan aims at identifying and producing more than 100 startups. Once the students register and are shortlisted for the journey, they would go through a detailed process of learning, training, and mentoring, helping them to convert their ideas into business opportunities. Participants will get to meet founders, cofounders, and investors, increase their network and meet with mentors who will guide them in the preparation of the business plans leading to the seed funding.

Sports Achievements

The Women's Chess team won a Championship Trophy at the Bengaluru North University Inter Collegiate Chess tournament held on 2nd December 2022, organized by LBS Government First Grade College, Bangalore.

Ms. Manaswini Swain BCom II year won First place with Gold Medal at the Bengaluru North University Intercollegiate Chess championship-2022-23, held at LBS Government First Grade College on 2nd December 2022.

- She has also represented South Zone Inter University Championship held at Reva University Bangalore from 15th to 18th December 2022.

Ms. Preksha Sundara BBA II year, won Third place with Bronze Medal at the Bengaluru North University Intercollegiate Chess championship-2022-23, held at LBS Government First Grade College on 2nd December 2022.

- She has also represented, South Zone Inter University Championship held at Reva University Bangalore from 15th to 18th December 2022.

The Men's Handball Team participated in the Bengaluru North University Inter-Collegiate tournament held on the 21st & 22nd Jan 2023 at Patel Science and Management College, Bangalore, and was placed second.

www.newhorizonindia.edu

An autonomous college associated with Visvesvaraya Technological University (VTU), New Horizon College of Engineering has received approval from both the University Grants Commission and the All India Council for Technical Education (AICTE) (UGC). The National Assessment and Accreditation Council has granted its accreditation and assigned it an "A" grade (NAAC). Each undergraduate course has received accreditation from the National Board of Accreditation (NBA). The campus is located in Bangalore, the nation's Technology heartland surrounded by MNCs and IT behemoths including Intel, Accenture, Capgemini, ARM, Symphony, Wipro, Nokia, JP Morgan, and Cisco. The campus boasts modern amenities to provide students with a relaxing environment. The management offers scholarships to promising students. The overall personality development of the students is heavily emphasized, with a distinct stress on soft skills. Students can access counseling and mentoring services. The infrastructure is a driving force behind efficient curriculum delivery. Through a progressive approach to education that encourages intellectual curiosity, creativity, diversity, and community involvement, NHCE fosters a passion for creative learning.

Mission

Fostering a culture of inquiry and creativity among teachers and students to increase the theoretical, practical, and ethical components of the learning process. Encourage long-term collaboration between academia and industry by involving industry in the development of the curriculum and its practical execution. Encourage participation in co-curricular and extracurricular activities to enhance and mould students in professional, ethical, social, and environmental dimensions.

NEW HORIZON COLLEGE

KASTURINAGAR - BENGALURU

Affiliated with Bengaluru North University, Approved by Government of Karnataka
Included under section 2 (f) of the UGC Act, 1956

www.newhorizonindia.edu

New Horizon College, Kasturinagar is one of the oldest members of the New Horizon Educational Institutions and was established in 1998. Since then, it has strived to integrate its core values of teaching, learning, and dissemination of information into the field of higher education. Affiliated with Bengaluru North University, New Horizon College adheres to the policy of providing subject matter expertise for better coverage and acceptance from a wide range of employers, following the university's syllabus for courses offered from time to time.

The learning process inside and outside the classroom paves the way for a perfect blend of new perspectives of learning in theory and practice. On campus, a variety of opportunities are created to participate in live projects, hands-on workshops, and value-added courses. Courses such as CA-CPT Coaching, SAP Training, CISCO Certification, Tally, Global Certification, and ACCA are incorporated in addition to the university's prescribed courses.

Vision

Our vision is to be known as a prestigious and prominent undergraduate space that provides excellent education and develops future leaders.

Mission

Our goal is to establish a learning atmosphere that fosters intellect and creativity, promotes innovation, and develops leaders and trailblazers among our students. Our teaching methodology strives to educate our students for a world that is fiercely competitive and to assist them in achieving excellence in their chosen field.

Values

New Horizon teaches students the value of endurance, fortitude, and righteousness to attain great achievement. They are encouraged to pursue learning with zeal and passion and contribute to society and the nation at large. They are provided with a variety of learning approaches and methodologies and encouraged to cultivate a good attitude toward learning.

We don't stop at the university's curriculum; we go above and beyond to demonstrate our concern, obligation, and commitment to each student that joins our family. Every student is allowed to advance and develop a dynamic personality and high intellectual levels.

We prescribe and use a variety of learning approaches and methodologies in the background as supplements to the university syllabi, adding value to the entire undergraduate learning experience. These additional learning methods allow students to satisfy their appetite for information while also assisting them in aligning their thoughts and ideas with the subject they have chosen. We urge every student to cultivate a good attitude toward learning through gaining knowledge, instilling the practise of learning as a part of daily life, and developing a positive attitude.

Courses Offered

B.Com - Bachelor of Commerce

BBA - Bachelor of Business Administration

BCA - Bachelor of Computer Applications

All courses are offered in 3 streams - Executive, Professional and Executive + Dual Qualification. Students can opt for a regular 3 year Degree Course program or a 4 year Honors Program

www.nhpuc.in

New Horizon Pre-University College (NHPUC), which was established in 1982, has received recognition from the Department of Pre-University Education, Government of Karnataka. In New Horizon Pre-University College, science and commerce streams are offered. The curriculum adheres to the pre-university education department's regulations, which are laid forth by the Government of Karnataka.

Vision

To be known as an innovative, creative institution that focuses on sculpting highly innovative students to the world with the aptitude and agile mentality to be entrepreneurial and socially responsible global citizens capable of navigating the intricacies of a quickly changing world

Mission

NHPUC's purpose is to educate people for the benefit of society through the transformative potential of education. Students embark on a journey of intellectual transformation in the classroom, which can deepen intellectual changes and create conditions for social reforms. Ultimately, students will shape their lives by determining what they want to achieve with their talents, beliefs and interests, and how they can best serve the community.

Values

At New Horizon, we believe in instilling in our pupils a strong work ethic, a clear moral compass, respect, and a hunger for knowledge, as well as the determination to persevere until the goal is met. We encourage all of our students to not only participate in but also to lead, and change. We instill in our students the value of serving the country and assisting in the upliftment of the less fortunate.

Goal

For our students – To provide students with the best possible learning experience.

For our people - To optimize the experience and expertise of our people and help them make the best possible contribution towards the institution.

For our community – To contribute and respond to the economy, social and environmental well-being of our community.

New Horizon Pre-University College provides supplementary coaching for entrance examinations such as JEE ADV/JEE MAINS, NEET & AIIMS & CA-FOUNDATION. Students receive exclusive course materials, practice sets, online assessments, as well as offline tests.

www.nhps.in

New Horizon Public School is one of Bangalore's most prestigious public schools, located at 100 Feet Road in Indiranagar. It has a 35-year history in education and a vision and objective to provide holistic education to its pupils. The Council for the Indian School Certificate Examination, New Delhi, is linked with New Horizon Public School, which is a co-educational school. It has consistently produced 100 percent ICSE results since 1991, made possible through total quality education that seeks excellence in performance. The school's motto, "In Pursuit of Excellence," refers to human brilliance as a result of true educational empowerment, not merely academic excellence.

Vision

To be a world-renowned school recognized for our distinguished teaching pedagogy. Our vision is to see every New Horizonite emerge as a trail-blazer, holding the torch of knowledge and armed with learning enhanced by national, global, and multicultural perspectives.

Mission

Our purpose is to provide students from all walks of life with an exceptional education and to assist them in becoming enlightened individuals. We want to establish a motivating and supportive environment for our students so they may excel in their chosen industry. By establishing an atmosphere of respect and human dignity, we hope to build the personality and character of our pupils.

Values

We believe that emphasizing value-based education encourages children to adopt and live by principles of integrity and discipline. Academic performance and great personal character development are aided by a strong spiritual, moral, and cultural environment.

Core Values

Compassion for other people.
Honesty in thought, speech, and action.
Respect for our historical beliefs and traditions.
Emphasis on moral, social and intellectual ethics.
Individuality is valued, as is social responsibility.
Improving the overall educational effectiveness of each student

Why NHPS ?

- Unparalleled academic track record - 100 percent results
- More than 98 percent of our students receive distinctions and first classes in exams
- Emphasis on moral values and ethics
- Extracurricular activities and sports

**Ranked No:1
in INDIA based on
ICSE Result - 2014**

www.newhorizoninternationalschool.in

NHEI's newest initiative is the New Horizon International School. At NHIS, we open doors to a world of possibilities to become truly global citizens. We provide two comprehensive teaching methodologies and curriculums: the Cambridge Assessment International Education [CAIE] curriculum for students in primary school through grade 12 and the HYBRID CBSE State Board curriculum for students in primary school through grade 12. We believe that the ideal education educates our kids to be sovereign thinkers, exquisite innovators, and proficient problem solvers through inquiry-based learning.

Vision

To create a holistic learning environment that prepares our students to be effective Global Achievers and Pioneer Innovators.

Mission

To ensure that our students are prepared to face life's problems and emerge as indisputable leaders by integrating the cardinal skills of Critical Thinking, Communication, Collaboration, and Creativity with a teaching pedagogy that emphasizes Skill Development.

Values

Our mission is to provide our pupils with a world-class international curriculum that has been flawlessly blended with our country's rich culture and the wisdom of our sages to help them become well-rounded persons who can demonstrate knowledge in all areas of life.

Why NHIS ?

Our campus has been consciously built to encourage new ideas and spark curiosity in our students, allowing them to tap into their inner creativity. We've taken a multifaceted approach to ignite young minds and develop leaders who are more than just professionals. The Cambridge curriculum is adaptable, challenging, and motivating, to cultivate informed curiosity and a lifelong love of learning. NHIS is the ideal choice for parents who wish to see their child grow into a leader, inventor, and humanitarian thanks to its cutting-edge infrastructure, innovative laboratories, and diverse sporting opportunities.
