

2.6.1

**PROGRAM AND COURSE
OUTCOMES**

2.6.1 - The institution has stated learning outcomes (generic and programme specific)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents

The institution follows Outcome Based Education (OBE), hence Programme Outcomes (PO), Programme Specific Outcomes (PSO) and Course Outcomes (CO) are clearly delineated after rigorous consultation with faculty members and other stakeholders. Programme Outcomes (PO) will specify the skillsets the students are expected to possess after graduation. Program specific outcomes (PSOs) are syllabus specific and differ according to the subject and are usually decided by the authorities/departments offering the programme. Course Outcomes (CO) are usually decided at the university level and defines what the student is expected to learn and implement at the end of each course/subject. Learning outcomes vary according to the nature of the programme and concerned course papers.

As the institution is affiliated to Bangalore North University, it adheres to the prescribed learning outcome of the respective graduate programmes embedded with the curriculum.

In the beginning of the semester, while introducing the syllabus, Course Outcomes (CO) are clearly communicated to the students and it is available on the college website. Both PO and PSO are displayed in prominent locations in the concerned departments for maximum visibility.
