### WORLD ENVIRONMENT DAY - PLANTATION PROGRAM

**Date: 6<sup>th</sup> June, 2022**

**Time: 9:00 am**

**Title of the Event: WORLD ENVIRONMENT DAY - PLANTATION PROGRAM**

**Target Audience: All NSS Volunteers- 2021-22**

**Venue: Bovipalya, Sarjapur road, Bangalore Rural**

**Organized by: NSS Unit- 2021-22**

**Faculty Coordinator: Siddalingamurthy B R**

**Student Coordinator: Manjunath and Pushpa**

#### About the Session/event:

World environment day is celebrated annually on 5<sup>th</sup> June and is the united nations principal vehicle for encouraging awareness and action for the protection of the environment. First environment day held in 1973, it has been a platform for raising awareness. In this regard New Horizon College Marathalli NSS volunteers conducted an awareness and plantation program on 6<sup>th</sup> June 2022. Our Principal Dr. Bodisatvan inaugurated the program through the plantation, in that occasion all the HOD's, and Staff members were presented. After that all our NSS volunteers and NSS PO visited to the Bovipalya village government school and planted trees with the school students and teachers.

**Date: 29<sup>th</sup> December 2022**

**Title of the Event:** Report on One day National Level FDP attended on "Green Audit and Energy Audit in HEI"

A One Day National Level Faculty Development Program (FDP) on "Green Audit and Energy Audit in Higher Educational Institutions (HEI)" was conducted on December 28th. The Programme was attended by MS. Serah Sudin, Senior Assistant Professor. The program aimed to provide a platform for educators and professionals to enhance their understanding of green audit and energy audit concepts, particularly in the context of Higher Educational Institutions (HEIs).

### **Key Objectives of the FDP:**

**Awareness:** The FDP aimed to create awareness about the significance of conducting green audits and energy audits in HEIs. Participants were introduced to the environmental and energy-related challenges faced by educational institutions and the importance of adopting sustainable practices.

**Knowledge Sharing:** Experts in the field were invited to share their knowledge about the principles, methodologies, and best practices of conducting green audits and energy audits. This involved topics such as energy consumption analysis, waste management, water conservation, renewable energy integration, and more.

**Skill Enhancement:** The FDP included workshops and practical sessions to equip participants with the skills required to carry out effective green and energy audits. Participants had the opportunity to learn about data collection techniques, assessment tools, and software used in auditing processes.

**Implementation Strategies:** Strategies for implementing the findings of audits were discussed. Participants learned how to translate audit results into actionable plans for making HEIs more environmentally friendly and energy-efficient.

**Regulatory Compliance:** The FDP also covered the regulatory aspects related to environmental and energy management in educational institutions. This included
