TARGET AUDIENCE: B.com, BBA and BCA

INTRODUCTION:

The Farewell was held on 18th June at the Main Auditorium for the 3rd year students. The event commenced with a warm welcome to our distinguished guest, Principal DR.R.Bodhisatvan, who added grace and prestige to the occasion. His insightful words set the tone for an inspiring ceremony. The proceedings commenced with the traditional lighting of the lamp, signifying the dispelling of darkness and the ushering in of knowledge and wisdom. There were many events that took place (cultural), like the dance, drama, music, and fashion show. The dance club performed an extraordinary performance with good enthusiasm. The music club performed a very soulful song for the event, and it touched our hearts. The drama club performed a mime based on college experiences and the wellness and richness of the college. The fashion club performed a colourful representation of colours, basically colour psychology.

Multiple games, like balloon blasting, paper cups, etc., were held for the students in their 3rd year of BBA, BCA, and BCC batch. The students were pleased by the end of the event, and the NHSAC members made sure that the students who were going to graduate had a fun time.
