## *FRESHERS' DAY '24*

**DATE:** 9<sup>TH</sup> SEPTEMBER 2024

**VENUE:** Main Auditorium

**TARGET AUDIENCE:** FRESHERS- BBA, BCOM, BCA

**COMMITTEE HEAD:** Ms. Kampa Belliappa

### **INTRODUCTION:**

Freshers' Day 2024 was a bright and vibrant event conducted for the freshers' batch (2024-27). This year's Fresher's Day theme was "THE PREMIERE SHOW". This year, the freshers' batch had to dress up like their favourite characters from around the cinematic university. The freshers had lots of fun from the performances by their seniors and the NHSAC members. The dance performances were full of emotions, the fashion team lit the stage on fire, and the music club made everyone's soul the happiest with their singing. The students were also allowed to portray their abilities so that the judges could decide who the MR. and MS. Freshers would be this year, which Susheel Reddy and Parinitha won. Like any other year, the students had a fun yet healthy competition amongst themselves, making it even more fun to watch. The MR. and MS. Freshers were rightfully chosen; it was a very proud moment for them!
