INTRODUCTION:

The Management Club organized an interactive session on September 12, 2024, involving representatives from the IDP Institution and the students.

Established in 1969, IDP Education is a renowned global leader in international education services. With over 50 years of experience, IDP has helped thousands of students achieve their academic and professional goals through study abroad opportunities. Its comprehensive services cater to students seeking international education, fostering global connectivity and cultural exchange.

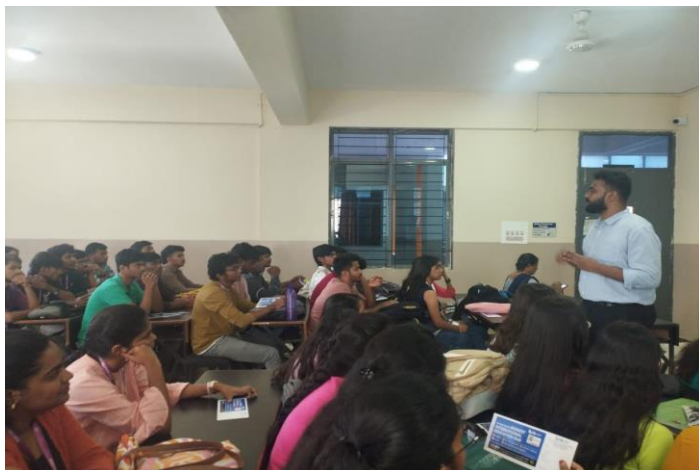

IDP offers various services, including study abroad counselling, university placement, IELTS testing, student visas, and pre-departure support. The organization partners with over 700 universities worldwide, providing students access to top-tier institutions. IDP's global reach spans 30+ countries, with experienced counsellors delivering personalized guidance. This enables students to enhance their career prospects, experience cultural diversity, and develop valuable networking skills.

The event aimed to provide valuable guidance to second and third-year students pursuing BBA and BCA, assisting them in making informed decisions about their future career paths. They shared insights into the current trends and opportunities in the field, shedding light on potential career paths for students in business administration and computer applications. The event comprised

interactive sessions where students could ask questions, seek advice, and engage in meaningful conversations.

In conclusion, IDP Education is a trusted leader in international education services, empowering students to achieve their full potential. With a 95%+ student satisfaction rate, IDP continues to expand its global presence, enhance digital services, and strengthen university partnerships. As a pioneer in international education, the success of the IDP Career Counselling event was made possible by the Management Club's collaborative efforts, the IDP representatives, and the active participation of the second-and third-year BBA and BCA students. The commitment of all involved parties contributed to the event's effectiveness in delivering valuable insights. IDP remains committed to connecting students with global opportunities, shaping the next generation of leaders and thinkers
