✦ The Trust is a Recipient of the Prestigious Rajyotsava State Award 2012, conferred by the Govt of Karnataka.

✦ The Most Promising Educational Institution In Karnataka By Higher Education Review

Moment Of Pride

Dr. Mohan Manghnani, Chairman, NHEI met Prime Minister Narendra Modi and donated a cheque of Rs. 5 Crores as a contribution towards Swachha Bharat Abhiyan.

New Horizon Educational and Cultural Trust received the prestigious 'Rajyotsava State Award 2012' conferred by the Government of Karnataka.

About NHEI

New Horizon Educational Institution, established in the year 1970, is dedicated to creating today's pioneers and tomorrow's leaders. NHEI has a glorious history of more than 50 years as one of the premium institutions in the country, providing quality holistic education ranging from kindergarten to higher education. The institution has tie-ups with various MNCs and international universities. It also prides itself on numerous Centres of Excellence within the campus, with the aim of providing a comprehensive multidisciplinary platform to all students enabling them to reach the pinnacle of knowledge.
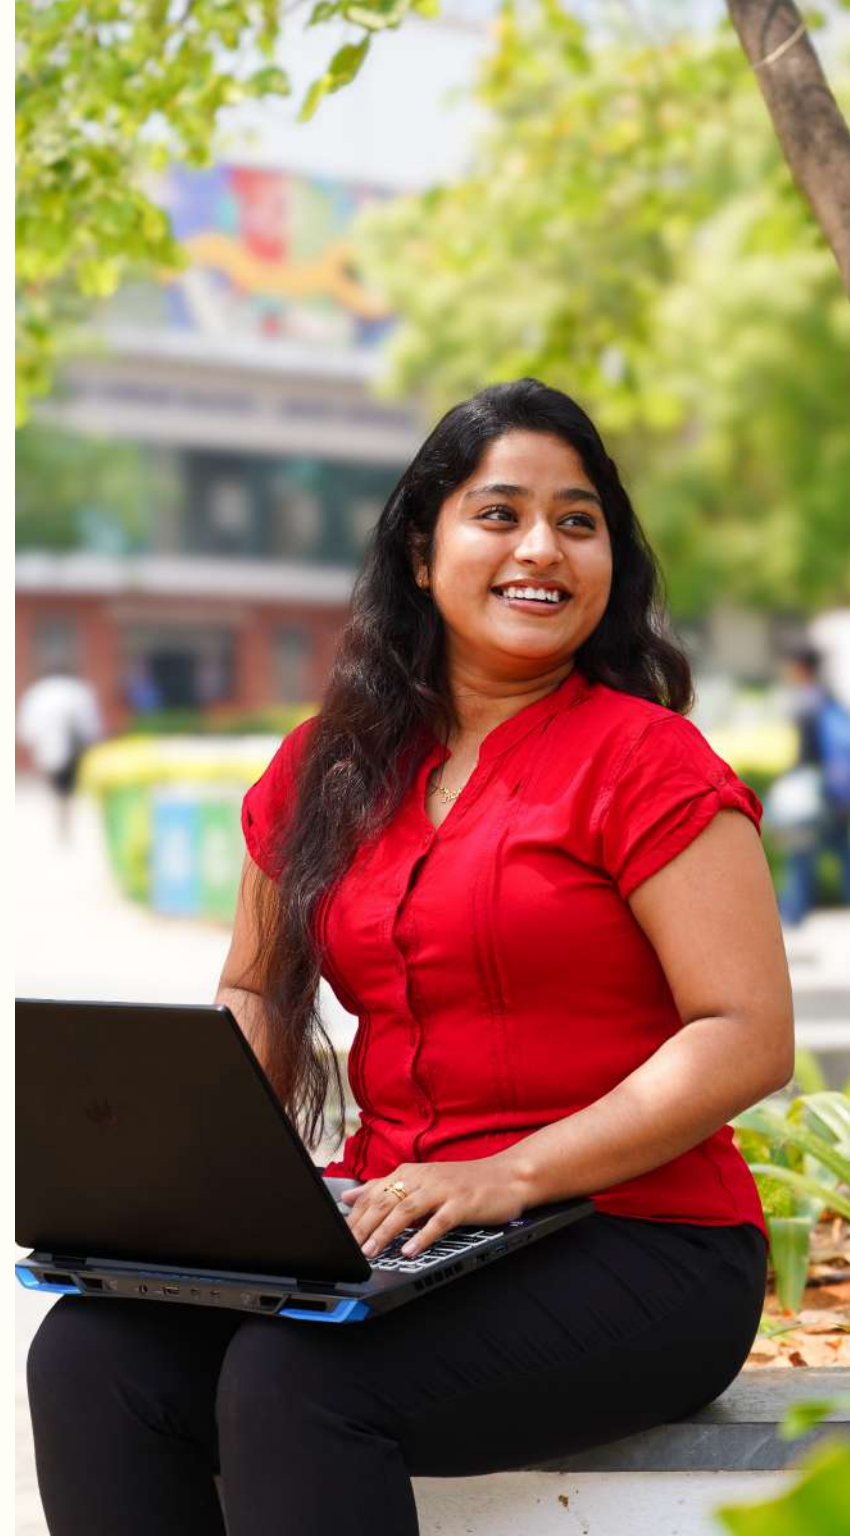

Vision

Our vision is to establish centers of educational excellence that offer challenging learning environments and encourage high expectations for success through knowledge creation, the development of skills, and the promotion of values.

Mission

New Horizon Educational Institution seeks to provide education that will inspire students to achieve the highest standards of intellectual and personal development to become creative and caring builders of the future.

Goal

To adhere to the reputation of being able to channel our human resources and guide the transformation process of every individual's dream in to a reality.

About NHC

Established in 1998, New Horizon College is certified by NAAC with an "A" grade and is permanently affiliated with Bengaluru North University. The picturesque and sprawling college campus offers a supportive environment for a student's intellectual and personal growth. Every effort is made to enlighten, educate, and inculcate in each student a sense of professionalism that will prepare them to meet the challenges of the competitive world.

NHC has experienced enormous success due to the sustained efforts of its teachers and the continuous progress of its students. Proper exposure is provided to help students develop into competent, capable, and composed graduates. It prepares them, holistically, for intellectual, social, and emotional traverses. NHC endeavors to improve every student's persona by equipping them to develop a wide range of skills through appropriate opportunities.

Vision

To impart student centric education and empower them to fulfill their academic and professional passions in an environment that is diverse, vibrant & inclusive.

Mission

To groom holistic individuals capable of critical and lateral thinking, with the ability to preserve and transmit knowledge, wisdom and values that will instill self-fulfillment and competitiveness.

Quality Policy

To benchmark education services of the highest quality so that our students can confidently serve the industry and society, in India and abroad.

Values

To edify students to uphold integrity, civility and honesty, to relentlessly pursue excellence, to embrace diversity and inclusion, and to ignite creativity, inquiry and scholarship. Our sole aim is to teach, interact, nurture and equip them to be responsible citizens of tomorrow.

Chairman's Perspective

India has emerged as a major player in global professional education, contributing significantly to the world's knowledge bank. As technology and management continue to evolve at an astonishing pace, it is essential to combine strong values with a knowledge-centric approach to develop leaders who are capable of achieving great things.

New Horizon Educational Institutions is committed to implementing these value systems and empowering students with a multidimensional approach to education. By integrating ethics with knowledge, we aim to create professionals who can drive positive change at all levels.

Welcome to our institution, where you can build a successful career and gain unmatched knowledge in a value-filled atmosphere.

We stand committed and continue to strive in pursuit of excellence.

Dr. Mohan Manghnani

Chairman, NHEI

Principal Message

Welcome to New Horizon College, Marathahalli (NHC-M), a prestigious college for Commerce & Management education affiliated with Bengaluru North University.

Our M.Com, B. Com, BBA, & BCA courses bridge the gap between graduate expectations and employment reality.

With a blend of curricular, co-curricular, and value-added programs, every student is encouraged to explore and achieve their dreams. Our NHC-M campus provides spacious classrooms, high-tech computer labs, an expansive library, a world-class auditorium, and frequent industry interactions.

At NHC-M, we believe that teaching is the greatest of the arts, and we are committed to nurturing the human mind and spirit.

Dr. R. Bodhisatvan

Principal

Testimonials

Davis Samson - 6th Sem B. Com (A)

Batch:2021-2024

New Horizon College has provided me with an enriching environment where I've grown both academically and personally, thanks to the engaging classes and supportive faculty. The community has been so kind and wonderful to work with. Alongside all this, the extracurriculars, club activities, and placements they provide are streamlined in a very systematic manner and help bring out the best in us.

Shreya Subramanian – 6th Sem B. Com (C)

Batch: 2021-2024

My college journey was filled with enriching experiences and growth opportunities. The vibrant club scene not only provided avenues for exploration but also served as invaluable guides, imparting knowledge and fostering personal development. Coupled with a conducive environment, I found myself surrounded by supportive peers and faculty, propelling me toward success. Grateful for the nurturing atmosphere and the countless opportunities that shaped my academic experience.

Bachelor Of Business Administration

Bachelor of Business Administration is a dynamic program that develops students' potential of being leaders, entrepreneurs, academicians as well as researchers in the field of business/business education. The college follows the Bengaluru North University curriculum, which is perfectly designed to enable an individual with conceptual, analytical as well as empirical approaches and strengthen their communication skills; thus building their potential to grow in myriad roles within the industry and in the world of business. The department organizes national and international industrial visits, invites senior managers from the Industry for guest lectures, to share their experiences, and organizes seminars, workshops, college fests, and technical games.

Students are encouraged to participate in various lectures, seminars, and workshops outside the campus and cultural and literary events held in various colleges and universities. The college campus is well-equipped with the infrastructure that provides students the space they need to release their fathomless creativity, be it academics, cultural activities or sports.

Vision

To create well equipped individuals to meet the challenges of the dynamic competitive world through a plethora of time tested and proven pedagogical teaching and learning.

Mission

To mould the students for positioning themselves in organizations, businesses, thereby enabling them to perform successfully, ethically, and professionally in a complex business scenario.

Objectives

1. To foster global competencies among students so that they may pursue careers in management and excel in different fields.
2. To inculcate a value system among students to enhance their skills vibrantly.
3. To ignite a quest for excellence.
4. To encourage self learning & self evaluation.

Duration

BBA degree extends over a period of three academic years, with each academic year comprising two semesters.

Bachelor Of Computer Applications

BCA endeavors to develop the cadre of computer aspirants to understand the current technological hitches and to provide long-term solutions based on improved and smarter technologies. The department organizes national and international industrial visits, invites senior managers from the industry for guest lectures to share their experiences, and organizes seminars, workshops, college fests, and technical games.

Vision

To be recognized as one of the outstanding institutes in the field of computer science by imparting knowledge through research based education and thereby adding values and relevance to the community.

Objectives

1. Encourage students to become self-driven, problem solving individuals who can find and understand the knowledge needed to be successful in the profession.
2. Establish Industry & Institute Interaction to make students industry ready.
3. Impart updated technical education and knowledge.

Mission

To develop the department as a centre of excellence in creation of knowledge using proven state-of-the-art technologies and nurture software professionals with the right technical skills to compete at national and global levels.

Duration

BCA degree extends over a period of three academic years, with each academic year comprising two semesters.

Career Scope

Students who enroll in the Bachelor of Computer Applications gain knowledge and skills in communication, organization, and management in addition to computer and information technology. BCA offers a wide range of career options. Students will be qualified for entry-level employment or to continue their education with an MBA or MCA. Depending on the curriculum studied during the BCA program, a graduate has diverse work options

Ranjitha S - M.Com

Batch: 2022-2024

I feel fortunate to have been a part of New Horizon College, where the infrastructure is excellent, and the cross-cultural interaction among students is amazing. The professors are passionate and supportive, and I experienced personal growth, intellectual stimulation, and social engagement during my time there. I'm grateful for the impact this college has had on my life.

Kavya Shree D P - M.Com

Batch: 2022-2024

I am very proud to be a part of New Horizon as it has taught me many lessons for life. The campus is filled with positive energy and exuberance. It has helped as a building block for my career. The education culture here is so advanced in nature. Events such as career fairs, Elixir, seminars, presentations, and study tours are so knowledge-based and have always guided me in my choices towards my studies and career. The teachers here are the best as they are friendly and motivating. They are very focused on our future and have very good subject knowledge.

The Institution reserves the right to modify any or all the policies/guidelines and stipulate additional norms for training and placement at any time. In case of any dispute, the decision of the Principal/ Executive Director will be treated as final.

Industry Oriented Training

a. Industry Oriented Training is mandatory for all students irrespective of whether they are interested in placement or not.
b. Aptitude & Soft Skills training will be conducted by the Department of HRD to enhance the competency & skills as required to take up the tests/ interviews during the recruitment process.
c. Minimum 75% attendance is mandatory for all the trainings.
d. Training attendance will be linked to internal scores of academics.

Placements

a) Eligibility

- All final year BCA/BBA/BCom students with 6.75 CGPA and possessing the required attendance in all the industry readiness programs with 75% attendance, are eligible to take part in placement process.
- Students should also satisfy the eligibility criteria of the company for which they are participating.
- Placement is optional. If any student is not interested in placement, he or she should submit the request for opting out of placement using the form available with Department of HRD, duly filled in and signed by both the student and the parent.

b) Registration process

- Students should enroll themselves with the Department of HRD with all related documents, viz; updated resume, photocopies of all certificates from class 10, Aadhar Card, PAN Card, and other relevant transcripts.
- Registration for all the recruitment drives will be done during the month of July or August, every year for the final-year students.
- Once the recruitment drive is published, students should register for the same. The list of registered students will be shared with the respective company. The company will share the list of shortlisted students who will be allowed to take part in the recruitment drive. Shortlisting of the students is solely at the discretion of the respective company as per their specific criteria.
- It is mandatory for all the registered and eligible students to attend the recruitment drives, failing which students will have to mention the reason for the same. If the reason is not accepted by the department, necessary action will be taken.

c) Attendance

- Post successful registration/ shortlisting, attendance in the respective recruitment drive is mandatory.
- Absence in any two of the campus drives, would disqualify the student from further placements.

d) Dream Offer

- Each student will be given one offer and a Dream Offer. Initially, students do not have the option to choose companies to get placed in. However, after getting placed in one company they will have the privilege of choosing a dream company.

e) General rules and regulations to be followed

- Students are advised to browse through the company website before attending any recruitment drive. If offered, it is mandatory to accept the offer. If a student fails to accept any offer, it is considered as offer given and the student will not be allowed to take part in further placements.
- If any company provides internship prior to the employment offer, it is mandatory for the student to take up the internship after obtaining the permission of the Principal/HOD and complete the same satisfactorily.
- Students should be willing to relocate as required by the company and shall be flexible to work on rotational shifts as per the company's norms.
- Students are expected to be punctual for all recruitment drives. Late comers will not be allowed to participate in the drive.
- Students are not permitted to discuss regarding CTC, job role, location or distance directly with recruiters/ company officials during the interviews. Any questions that the students have should be cleared during the presentation by the company.
- If student receives any offer directly from the company/ or her/his own efforts, he/she should inform and share a copy of the same with the Department of HRD.
- Students whose offer letters are not honored by the company within a span of four months, will be given another opportunity by the Department of HRD.

- If students do not receive the LOI or offer letter from the company within four months of their selection, no HRD fee will be charged and if already paid, the same shall be refunded.
- Students are expected to maintain absolute discipline/decorum during the entire recruitment process. The Department of HRD reserves the right to remove any student from placements on grounds of indiscipline/misconduct.
- All eligible students should follow the formal dress code i.e., White and Black, neat hairdo, black shoes, full socks, etc. for the entire process of the recruitment drives.
- During the recruitment process, mobile phones should be switched off.
- Speaking in English is mandatory on campus to acquire fluency over the language so that the standards set by the companies are achieved.
- Students have to pay the training fee/ HRD fee as applicable as per the existing rules.
- All students should ensure that the reputation of the institution is upheld at all times.

Hostels

Accommodation for over 1200 Students on Campus

On campus, we have constructed hostel accommodations that cater to over 1200 students, ensuring a secure and friendly environment. The facilities are segregated for boys and girls, promoting a peaceful and harmonious living atmosphere. We have taken all the necessary measures to maintain a green and revitalizing ambiance for the students, which in turn nurtures the growth of constructive thoughts and ideas. We regard the dormitories as a space where students can study, unwind, and interact with one another, making it their "home away from home."

Facilities

- Five separate hostel buildings for girls and boys
- Wi-Fi in hostel blocks
- 24-hour power backup
- RO drinking water
- Hygienic kitchen & quality food
- Veg & non-veg menu
- Choice of north & south Indian food
- Medical insurance
- Hot water facility
- Well furnished rooms
- Laundry facility
- Single room facility (Boys hostel) for PG students
- 24-hour CCTV Surveillance

Student Clubs

Joining a club gives the opportunity to gain skills that one wouldn't get in a classroom, giving more liberty to manage time effectively, make practical decisions, and plan and execute important events. Clubs bring together people with similar interests, such as music, the arts, or sports. Students learn how to collaborate with others to achieve similar goals through club activities, which help them create a sense of togetherness and teamwork. Clubs help rediscover a new dimension in the persona through experiential learning and practical skills.

Extra-curricular Clubs

- Avinya – Dance Club
- Alaap- Music Club
- Navarasa- Drama Club
- Asmi- Fashion Club
- Aroha-Adventure Club

- Drishya- Media Club
- Aakriti- Photography Club
- Srujana-Creativity Club
- Leo club
- Utkarsh- Outreach Club

- Alumni Club
- Sports
- NSS unit
- Avni- Eco Club

Co-curricular clubs:

- Rural Entrepreneurship Development Cell
- Management Club
- Commerce Club
- IT Club
- Entrepreneurship Cell

- Adhya- Literary Club
- Anti-Ragging cell
- Women empowerment
- Human Rights Protection cell

Student Support Committees:

Participating in student committees aids in the development of soft skills. It teaches you how to communicate, read body language, have a positive attitude, and work ethically. These soft skills are personal characteristics that influence how you interact with your co-workers.

Hostels... Hostels...

Sargam

Sargam is a national-level intercollegiate cultural festival hosted by New Horizon Educational Institution every year. The fest brings together students from various educational institutions, providing an excellent platform for them to showcase their talent and win cash prizes. It encompasses a fine mix of students from various streams across the country under one roof.

Sargam 2023, was inaugurated on the 1st of December and concluded on the 3rd of December. The event was based on the theme 'Ramleela', which celebrated the energy and power of Shri Ram. More than 20,000 students from various colleges across the country participated in the event, showcasing their talents and creativity.

The three-day event was filled with various cultural expressions and artistic endeavors such as Dances of India, Stage Play, Turn Coat, Gaming, Art Wave Painting, Sur-Sangam, Juke Box, Beat the Street, Freestyle Dance, The Next Top Model, Contemporary Dance, Short Movie Making, Improv, Sneaker Doodle, Desi Beats (Jr), Reel making (Jr), Pixel Fiesta Photography (Sr).

The Mega Event, "RAM KATHA," was the major attraction of Sargam 2023, which witnessed highly energetic and powerful dance performances from various colleges. All the events were divided into 5-star, 4-star, 3-star, 2-star, and single-star events, with prize money varying accordingly. The total cash prize given to the winners of various events was Rs. 12,00,000/- +.

The final day concluded with a stunning performance by the youth diva and Indian singer Ms. Dhvani Bhanushali and DJ Saket Maskara. The theme for Sargam 2024 has been announced as "BHARAT." at the valedictory ceremony of Sargam 2023.

Udaan

Udaan a mega entrepreneurship event is the vision of our Honorable Chairman of New Horizon Educational Institution Dr. Mohan Manghnani, to instill entrepreneurial interest in the students of New Horizon and make them independent and self-reliant. Udaan is one of the biggest launch pads of startups from our campus advocating creativity, innovation, and entrepreneurship. Udaan also signifies support for the Atmanirbhar Bharat Abhiyaan the self-reliant India campaign, which is the vision of a new India, envisaged by our honorable Prime Minister, Shri Narendra Modiji, following the mantra, "Let's innovate for India, innovate from India". Udaan aims at identifying and producing more than 100 startups. Once the students register and are shortlisted for the journey, they would go through a detailed process of learning, training, and mentoring, helping them to convert their ideas into business opportunities. Participants will get to meet founders, cofounders, and investors, increase their network and meet with mentors who will guide them in the preparation of the business plans leading to the seed funding.

SPORTS

NEW HORIZON
COLLEGE OF ENGINEERING

Autonomous College Permanently Affiliated to VTU, Approved by AICTE & UGC
Accredited by NAAC with 'A' Grade, Accredited by NBA

www.newhorizonindia.edu

An autonomous college associated with Visvesvaraya Technological University (VTU), New Horizon College of Engineering has received approval from both the University Grants Commission and the All India Council for Technical Education (AICTE) (UGC). The National Assessment and Accreditation Council has granted its accreditation and assigned it an "A" grade (NAAC). Each undergraduate course has received accreditation from the National Board of Accreditation (NBA). The campus is located in Bangalore, the nation's Technology heartland surrounded by MNCs and IT behemoths including Intel, Accenture, Capgemini, ARM, Symphony, Wipro, Nokia, JP Morgan, and Cisco.

The campus boasts modern amenities to provide students with a relaxing environment. The management offers scholarships to promising students. The overall personality development of the students is heavily emphasized, with a distinct stress on soft skills. Students can access counseling and mentoring services. The infrastructure is a driving force behind efficient curriculum delivery. Through a progressive approach to education that encourages intellectual curiosity, creativity, diversity, and community involvement, NHCE fosters a passion for creative learning.

Mission

Fostering a culture of inquiry and creativity among teachers and students to increase the theoretical, practical, and ethical components of the learning process. Encourage long-term collaboration between academia and industry by involving industry in the development of the curriculum and its practical execution. Encourage participation in co-curricular and extracurricular activities to enhance and mould students in professional, ethical, social, and environmental dimensions.

NEW HORIZON
COLLEGE
KASTURINAGAR

Affiliated to Bangalore North University, Approved by Government of Karnataka
Included under section 2 (f) of the UGC Act, 1956

www.newhorizonindia.edu

New Horizon College, Kasturinagar is one of the oldest members of the New Horizon Educational Institutions and was established in 1998. Since then, it has strived to integrate its core values of teaching, learning, and dissemination of information into the field of higher education. Affiliated with Bengaluru North University, New Horizon College adheres to the policy of providing subject matter expertise for better coverage and acceptance from a wide range of employers, following the university's syllabus for courses offered from time to time.
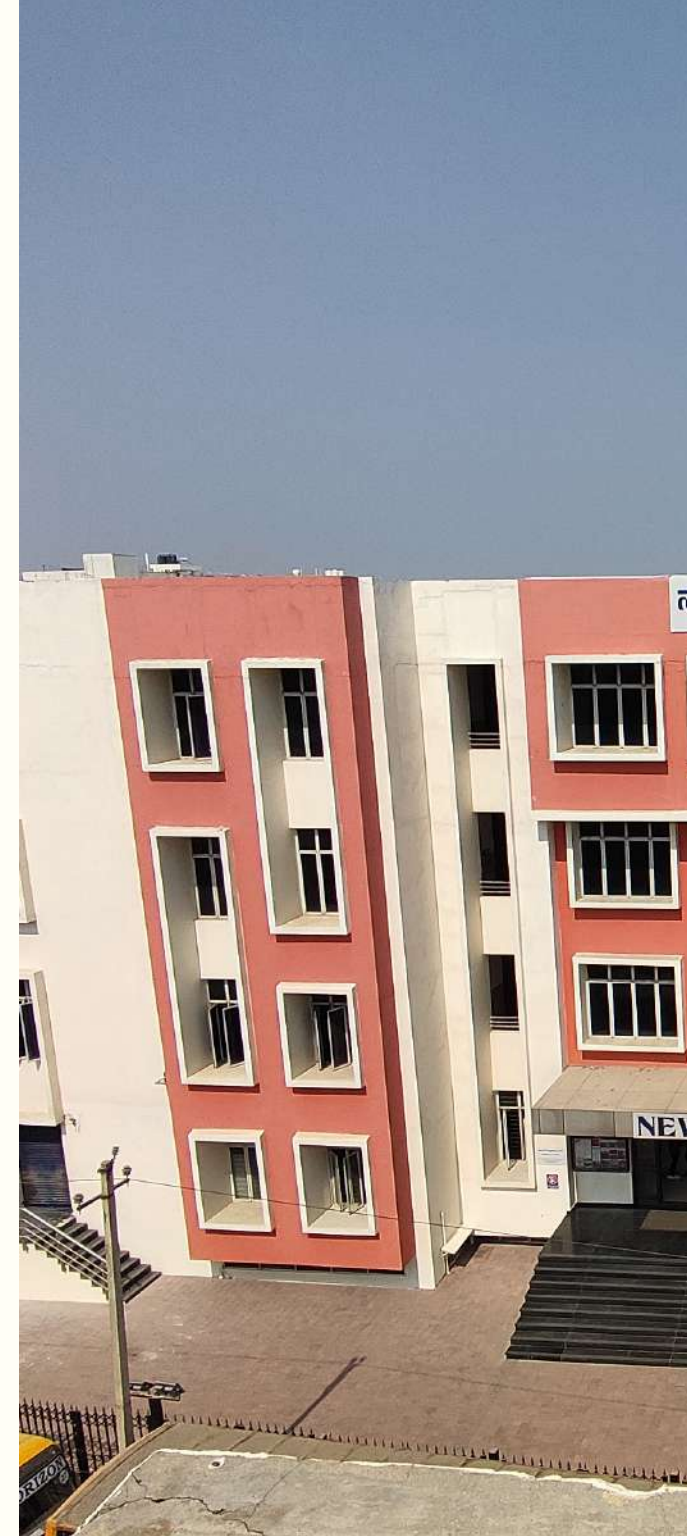

The learning process inside and outside the classroom paves the way for a perfect blend of new perspectives of learning in theory and practice. On campus, a variety of opportunities are created to participate in live projects, hands-on workshops, and value-added courses. Courses such as CA-CPT Coaching, SAP Training, CISCO Certification, Tally, Global Certification, and ACCA are incorporated in addition to the university's prescribed courses.

Vision

Our vision is to be known as a prestigious and prominent undergraduate space that provides excellent education and develops future leaders.

Mission

Our goal is to establish a learning atmosphere that fosters intellect and creativity, promotes innovation, and develops leaders and trailblazers among our students. Our teaching methodology strives to educate our students for a world that is fiercely competitive and to assist them in achieving excellence in their chosen field.

Values

New Horizon teaches students the value of endurance, fortitude, and righteousness to attain great achievement. They are encouraged to pursue learning with zeal and passion and contribute to society and the nation at large. They are provided with a variety of learning approaches and methodologies and encouraged to cultivate a good attitude toward learning. We don't stop at the university's curriculum; we go above and beyond to demonstrate our concern, obligation, and commitment to each student that joins our family. Every student is allowed to advance and develop a dynamic personality and high intellectual levels. We prescribe and use a variety of learning approaches and methodologies in the background as supplements to the university syllabi, adding value to the entire undergraduate learning experience. These additional learning methods allow students to satisfy their appetite for information while also assisting them in aligning their thoughts and ideas with the subject they have chosen. We urge every student to cultivate a good attitude toward learning through gaining knowledge, instilling the practise of learning as a part of daily life, and developing a positive attitude.

Courses Offered

B.Com - Bachelor of Commerce
BBA - Bachelor of Business Administration
BCA - Bachelor of Computer Applications
MCA - Master of Computer Applications

All courses are offered in 3 streams - Executive, Professional and Executive + Dual Qualification. Students can opt for a regular 3 year Degree Course program or a 4 year Honors Program

NEW HORIZON
PRE-UNIVERSITY COLLEGE

'A' Grade College
Accredited by the Department of Pre-University Education,
Government of Karnataka

www.nhpuc.in

New Horizon Pre-University College (NHPUC), which was established in 1982, has received recognition from the Department of Pre-University Education, Government of Karnataka. In New Horizon Pre-University College, science and commerce streams are offered. The curriculum adheres to the pre-university education department's regulations, which are laid forth by the G overnment of Karnataka.

Vision

To be known as an innovative, creative institution that focuses on sculpting highly innovative students to the world with the aptitude and agile mentality to be entrepreneurial and socially responsible global citizens capable of navigating the intricacies of a quickly changing world

Mission

NHPUC's purpose is to educate people for the benefit of society through the transformative potential of education. Students embark on a journey of intellectual transformation in the classroom, which can deepen intellectual changes and create conditions for social reforms. Ultimately, students will shape their lives by determining what they want to achieve with their talents, beliefs and interests, and how they can best serve the community.

Values

At New Horizon, we believe in instilling in our pupils a strong work ethic, a clear moral compass, respect, and a hunger for knowledge, as well as the determination to persevere until the goal is met. We encourage all of our students to not only participate in but also to lead, and change. We instill in our students the value of serving the country and assisting in the upliftment of the less fortunate.

Goal

For our students – To provide students with the best possible learning experience. For our people - To optimize the experience and expertise of our people and help them make the best possible contribution towards the institution. For our community – To contribute and respond to the economy, social and environmental well-being of our community.

- Dhanush L Shetty - Science - **State 5th Rank**

NEW HORIZON
PUBLIC SCHOOL

www.nhpuc.in

New Horizon Public School is one of Bangalore's most prestigious public schools, located at 100 Feet Road in Indiranagar. It has a 35-year history in education and a vision and objective to provide holistic education to its pupils. The Council for the Indian School Certificate Examination, New Delhi, is linked with New Horizon Public School, which is a co-educational school. It has consistently produced 100 percent ICSE results since 1991, made possible through total quality education that seeks excellence in performance. The school's motto, "In Pursuit of Excellence," refers to human brilliance as a result of true educational empowerment, not merely academic excellence.

Vision

To be a world-renowned school recognized for our distinguished teaching pedagogy. Our vision is to see every New Horizonite emerge as a trail-blazer, holding the torch of knowledge and armed with learning enhanced by national, global, and multicultural perspectives.

Mission

Our purpose is to provide students from all walks of life with an exceptional education and to assist them in becoming enlightened individuals. We want to establish a motivating and supportive environment for our students so they may excel in their chosen industry. By establishing an atmosphere of respect and human dignity, we hope to build the personality and character of our pupils.

Values

We believe that emphasizing value-based education encourages children to adopt and live by principles of integrity and discipline. Academic performance and great personal character development are aided by a strong spiritual, moral, and cultural environment.

Core Values

- Compassion for other people.
- Honesty in thought, speech, and action.
- Respect for our historical beliefs and traditions.
- Emphasis on moral, social and intellectual ethics.
- Individuality is valued, as is social responsibility.
- Improving the overall educational effectiveness of each student

Why NHPS ?

- Unparalleled academic track record - 100 percent results
- More than 98 percent of our students receive distinctions and first classes in exams
- Emphasis on moral values and ethics
- Extracurricular activities and sports

Ranked No:1

in INDIA based on

ICSE Result - 2014

NEW HORIZON
INTERNATIONAL SCHOOL

www.newhorizoninternationalschool.in

NHEI's newest initiative is the New Horizon International School. At NHIS, we open doors to a world of possibilities to become truly global citizens. We provide two comprehensive teaching methodologies and curriculums: the Cambridge Assessment International Education [CAIE] curriculum for students in primary school through grade 12 and the HYBRID CBSE State Board curriculum for students in primary school through grade 12. We believe that the ideal education educates our kids to be sovereign thinkers, exquisite innovators, and proficient problem solvers through inquiry-based learning.

Vision

To create a holistic learning environment that prepares our students to be effective Global Achievers and Pioneer Innovators.

Mission

To ensure that our students are prepared to face life's problems and emerge as indisputable leaders by integrating the cardinal skills of Critical Thinking, Communication, Collaboration, and Creativity with a teaching pedagogy that emphasizes Skill Development.

Values

Our mission is to provide our pupils with a world-class international curriculum that has been flawlessly blended with our country's rich culture and the wisdom of our sages to help them become well-rounded persons who can demonstrate knowledge in all areas of life.

Why NHIS ?

Our campus has been consciously built to encourage new ideas and spark curiosity in our students, allowing them to tap into their inner creativity.

We've taken a multifaceted approach to ignite young minds and develop leaders who are more than just professionals. The Cambridge curriculum is adaptable, challenging, and motivating, to cultivate informed curiosity and a lifelong love of learning. NHIS is the ideal choice for parents who wish to see their child grow into a leader, inventor, and humanitarian thanks to its cutting-edge infrastructure, innovative laboratories, and diverse sporting opportunities.
