

**Event name:** Samanvita 2025

**Date:** 9<sup>th</sup> September, 2025.

**Timings:** 12:30 pm

**Target Audience:** Freshers of NHCM

**Venue:** New Horizon College Main Auditorium

**Organized by:**

**Faculty coordinator:** Ms. Suchitra Deviprasad

**Student coordinator:** Ms. Himani Nim & Mr. Soumyadip Ray

**Brief description of the event:**

Samanvita 2025 was organized by NHSAC to introduce the various clubs to the new batch of juniors, offering them a glimpse into the extracurricular activities, and a vibrant campus life. The event aimed to raise awareness about the different clubs and encourage student participation.

The event began with a warm welcome address, where the purpose of the gathering was shared, and juniors were encouraged to explore the opportunities available. This was followed by an invocation dance by our very own dance club, setting a festive and energetic tone for the event.

Soon after the inauguration, each one of the clubs were invited to introduce themselves through a promo video, outlining their activities and objectives, thereby motivating juniors to get involved. The music club, dance club, and drama club not only introduced themselves but also performed on stage, offering juniors a taste of their talents and the fun awaiting them. Once all the clubs had presented, an energetic and captivating performance by Avinya, our college's dance club, was held to entertain and energize the audience.

The event proceeded with the introduction of the top student leaders such as the President, Vice-President, and Secretary, giving juniors a chance to recognize the student leadership guiding campus life. Following this, the NHSAC formation took place, where all the heads, sub-heads, and board members of clubs stood together, symbolizing unity and teamwork. The program concluded with a vote of thanks, expressing gratitude to all contributors.

Overall, Samanvita 2025 was a grand success that provided juniors with a warm welcome to campus life, showcasing the diversity of student activities while fostering a sense of belonging and enthusiasm. The event inspired students to actively participate in shaping their own college experience.
