6th ONE DAY NATIONAL CONFERENCE

Roadmap to Viksit Bharat 2047

Multidisciplinary Insights into Commerce, Management and Technology

2047

12th September 2026

Chanakya Seminar Hall, Amar Hemu Kalani Block

About NHEI

New Horizon Educational Institution (NHEI), established in 1970, is one of the premier institutions located in Bengaluru. Under the umbrella of New Horizon Educational Institution, eight high-performing institutions cater to the educational needs of students from the pre-primary level to the professional stage. Guided by a noble and clear vision, inspired by NHEI's motto, "Pursuit of Excellence" and driven by core values that ultimately shape a complete human being.

About NHC

New Horizon College, Marathahalli, is permanently affiliated with Bengaluru North University, Karnataka, and accredited with Grade 'A' by NAAC. The college campus is located on the IT corridor of Bengaluru and is surrounded by MNCs and IT giants such as Intel, Accenture, Capgemini, Wipro, Nokia, JP Morgan and CISCO, to name a few. Its mission is to create world-class professionals by enlightening, educating, inculcating and imbibing a sense of professionalism in every student. The college offers Bachelor of Business Administration (BBA), Bachelor of Commerce (B.Com), Bachelor of Computer Applications (BCA) and Master of Commerce (M.Com).

About the Conference

Viksit Bharat@2047 is India's vision to become a fully developed nation by its 100th year of Independence. It emphasises economic growth, social equity, sustainability, and strong governance. Our Honourable Prime Minister has launched "Ideas from Youth for Viksit Bharat@2047" to harness youth innovation for this mission.

The forthcoming conference on Banking, Finance, Business Management and Technology promises to be a pivotal event, set against a backdrop of rapid technological innovation, globalisation and significant economic shifts. As these sectors undergo unprecedented transformation, the conference aims to explore the opportunities and challenges that lie ahead.

India stands at the cusp of transformation. By 2047, marking 100 years of Independence, the nation aims to become Viksit Bharat — a fully developed powerhouse driving global innovation and prosperity. This conference explores how Commerce, Management, and Technology converge to build that future.

In a world reshaped by digital disruption, sustainable practices and geopolitical shifts, India's path forward demands bold, integrated strategies. Commerce fuels trade and markets; management steers organisations and policies; technology powers AI, blockchain and green innovations. Together, they hold the key to achieving a \$30 trillion economy, inclusive growth and leadership in emerging sectors.

The conference will not only focus on theoretical perspectives but also encourage widespread student participation in providing suggestions for Viksit Bharat@2047's vision to drive innovation and enhance business practices.

Chief Guest and Keynote Speaker

Mr. Vipin Rustagi

Chief Information Officer

Ashirvad by Aliaxis

Moderator

Mr. Calvin Fredy Paul

Regional Head
ISDC Karnataka

Objectives of the Conference

- To analyse the industrial shifts and technological breakthroughs that can position India as a global leader.
- To provide a platform for young leaders, entrepreneurs and innovators to share ideas and insights.
- To explore the comprehensive vision for India's development by 2047 by creating a roadmap for sustainable progress.
- To understand the collective efforts and resource mobilisation required to achieve economic, environmental and social goals.
- To comprehend and recognise the policies established to ensure better infrastructure and digital healthcare services for inclusive, welfare-oriented development.
- To equip Indian businesses with tools and strategies to align with global standards and enhance their international market presence.
