BCA – Batch 2026–27

Date: 29th July 2026

Time: 11:00 AM – 01:30 PM

Venue: Auditorium

Organised by: Department of BCA, New Horizon College

Inauguration and Orientation Programme – Report

A New Beginning, Where Knowledge Meets Technology

The Department of BCA, New Horizon College, organised the Inauguration and Orientation Programme for the newly admitted BCA students of the 2026–27 batch on 29th July 2026 at the college auditorium. The programme marked the beginning of a new academic journey for the students entering the field of Computer Applications and provided an opportunity for the new students and their parents to become familiar with the institution, its academic environment, faculty, infrastructure and the opportunities available throughout their college life.

The programme was designed to warmly welcome the new students and their parents into the New Horizon College family. The inauguration formally commenced the orientation proceedings and created a positive and inspiring atmosphere for the students as they began their undergraduate journey in the field of Computer Applications. The event included the National Song, Invocation Dance, Lighting of the Lamp, Welcome

Address, an introduction to NHEI and New Horizon College, a college introductory video, the Principal's Address, Vote of Thanks, National Anthem and concluding snack distribution.

The Inauguration and Orientation Programme was organised with the objective of formally welcoming the newly admitted BCA students and their parents to New Horizon College. The programme aimed to provide a positive and encouraging beginning to the students' undergraduate journey and introduce them to the academic environment of the BCA programme. It also sought to familiarise students with NHEI and New Horizon College, its educational vision, and the role of technology and Computer Applications in the present academic and professional landscape.

The programme further aimed to encourage students to make effective use of the academic, technical, co-curricular and skill-development opportunities available on campus. It also focused on creating a sense of belonging, confidence and enthusiasm among the students as they began their journey towards developing the knowledge and skills required for higher education and future careers in the technology-driven world.

The programme commenced with the Prelude to Orientation Day, setting the tone for the inauguration and warmly welcoming the new batch of BCA students. The National Song was rendered with the participation of the gathering, followed by an Invocation Dance that added a graceful and cultural beginning to the programme. The traditional Lighting of the Lamp was then conducted to formally inaugurate the programme and symbolise the beginning of a new academic journey.

A Welcome Address was delivered to extend a warm welcome to the newly admitted students and their parents. An introduction to NHEI and New Horizon College was presented to help the students understand the institution, its educational environment and the opportunities available to them. A College Introductory Video was also screened, providing students and parents with a visual introduction to the campus and college facilities.

The Principal, Dr R. Bodhisatvan, addressed the gathering and shared valuable guidance and encouragement with the new students as they embarked on their college journey. The formal proceedings concluded with the Vote of Thanks and the National Anthem. The programme concluded with snack distribution, providing an opportunity for students, parents and faculty members to interact and bringing the orientation to a warm and pleasant conclusion.

The programme provided the new BCA students with a warm and formal introduction to the college and its academic environment. Students and parents gained a better understanding of the institution and the nature of the BCA programme. The orientation helped students feel more comfortable and confident about entering a new campus and beginning their journey in the field of Computer Applications. The introduction to NHEI and New Horizon College provided students with an initial understanding of the institution's educational environment, values and opportunities.

The Principal's Address encouraged the students to approach their college years with enthusiasm, discipline, responsibility and a willingness to continuously learn and develop new skills. The programme also highlighted the importance of adapting to technological advancements, developing practical knowledge and making effective use of the opportunities provided by the institution. Overall, the programme created a welcoming and positive connection between the new students, their parents, teachers, management and the college.

The Inauguration and Orientation Programme for the BCA Batch 2026–27 was a meaningful and successful beginning to the students' journey at New Horizon College. The programme brought together formal inauguration, cultural elements, institutional introduction and guidance from the Principal to create a welcoming experience for the new students and their parents. It successfully introduced the students to the academic environment of the BCA programme and encouraged them to look forward to developing their technical knowledge, practical skills and professional abilities. The event set a positive tone for the academic year and helped the students take their first step towards becoming confident, skilled and active members of the college community.

The Department of BCA sincerely expresses its gratitude to the college management, Principal, faculty members, staff members and all those who contributed to the successful conduct of the Inauguration and Orientation Programme. Special appreciation is extended to the newly admitted BCA students and their parents for their enthusiastic participation and presence, which made the occasion warm, memorable and meaningful. The Department looks forward to supporting and guiding the students throughout their academic journey and encouraging them to explore, learn, innovate and excel in the field of Computer Applications.
