

ACCA Orientation Programme

B.Com – Batch 2026–27

Date: 24th August 2026

Time: 10:30 AM – 11:30 PM

Venue: Chanakya Seminar Hall

Organised by: Department of B.Com, New Horizon College

ACCA Orientation Programme – Report

The Department of B.Com, New Horizon College, organised an ACCA Orientation Programme for the B.Com students of the 2026–27 batch on 24th August 2026 at Chanakya Seminar Hall. The programme was organised to create awareness among students about the Association of Chartered Certified Accountants (ACCA), its professional importance, career opportunities and the benefits of pursuing ACCA alongside a B.Com degree.

Mr. Kalvin from ISDC, along with his team, arrived at the college to conduct the orientation session and provided students with valuable insights into the ACCA qualification. The session highlighted the importance of ACCA as a globally recognised professional qualification and explained how it can complement a B.Com degree and enhance career opportunities in accounting, auditing, taxation, financial management and related fields.

The team also explained the ACCA course structure and paper exemptions available to B.Com students, highlighting how eligible students may receive exemptions from certain papers based on their academic qualifications and the applicable exemption criteria. This helped students understand how their B.Com studies can support their progression towards the ACCA qualification.

The session was highly interactive, with Mr. Kalvin and his team engaging with the students and addressing their queries regarding ACCA, examinations, exemptions, career opportunities and the process of pursuing the qualification. The programme concluded with an engaging Question and Answer session, where students actively participated and received clarification on their doubts.

Overall, the orientation programme was informative and beneficial, providing students with a better understanding of ACCA and encouraging them to explore professional qualifications alongside their B.Com programme. The Department of B.Com sincerely expresses its gratitude to Mr. Kalvin and the

ISDC team for conducting the informative session and to all the students for their enthusiastic participation.
