

Event name: Samanvita 2026

Date: 7th September, 2026.

Timings: 12:30 pm

Target Audience: Freshers of NHCM

Venue: New Horizon College Main Auditorium

Organized by:

Faculty coordinator: Ms. Suchitra Deviprasad

Student coordinator: Mr Vincent Allwyn, Ms Tanushree R M, Ms Shireesha G & Ms Venice Carina M

Brief description of the event:

Organized by the NHSAC in September 2026, Samanvita introduced the incoming batch to the college's diverse vibrant student clubs, offering a preview of campus life and encouraging active involvement in extracurriculars.

The event kicked off with a welcome address setting the tone for the session, followed by an energetic invocation dance performed by the college dance club. Shortly after the inauguration, each club presented a short promo video detailing their focus areas, key initiatives, and the process for new members to join. Adding to the excitement, the music, dance, and drama clubs delivered live stage performances alongside their introductions. Following the individual club presentations, Avinya, the college's dance club, delivered a high-energy performance for the audience.

The program then introduced key student leadership, including the President, Vice President, and Secretary, before bringing together all club heads, sub-heads, and board members on stage for the official NHSAC formation. The event wrapped up with a vote of thanks acknowledging everyone involved.

Samanvita September 2026 successfully helped the new batch connect with the campus community, highlighting available opportunities and setting an encouraging tone for the academic year ahead.
